

January 1st, 2009

~Welcome to the 'HEART' 2009 ~

*Are you looking to meet an interesting people
in various sectors of professional such as science,
engineering, education,
government/business management,
art and music?*

*Would you like to come and
to make new friends
or to be reunited with old friends of yours?*

*There are many societies in the Tokyo area,
but few can provide good communication and friendship
between you and the professional career people like 'HEART' does.
We hope to create an academic and pragmatic atmosphere
based on the mutual respect
that develops among members who are pursuing common interests.*
